About our speaker....

Danny Glover is an award-winning actor, producer and humanitarian with a performance career that spans more than 25 years. From the blockbuster *Lethal Weapon* franchise in film, to hit television shows such as *ER*, Glover has portrayed a myriad of popular roles and has distinguished himself as one of his generation's most consummate actors.

Glover's performances in such classic motion pictures as *The Color Purple*, *Witness*, and *Places in the Heart*, have not only showcased his talent and versatility but have also brought him critical and audience acclaim. Glover has received several Emmy nominations for his work in such television hits as *Lonesome Dove*. Off-screen, Glover has gained respect for his wide-reaching community activism and philanthropic efforts.

About our organization....

Founded in 2012, MCPL Foundation has helped enriched the lives of Midland County residents through the Midland County Public Libraries. Some of the past activities supported by MCPL Foundation include *Bob Hope: An American Treasure*; *Arthur's World*; Herve Tullet's *Mix it Up*; *Very Eric Carle: A Very Hungry, Quiet, Lonely, Clumsy, Busy Exhibit*; *Curious George*; concerts; Midland Festival Ballet camps; annual Summer Reading programs; Project Literacy; visiting authors and holiday celebrations.

All of this would not be possible without the members of the Carnegie Circle. This group annually supports the MCPL Foundation. If you are interested in becoming a Carnegie Circle member, contact us at valerie@mcplfoundation.org
